Dear Sir,

"Flag C" With reference to G.O. No.D.3042-3 Genl.40-29 dated 14th October 1929 sanctioning my deputation to South Africa for attending the Third (triennial) Session of the Empire Mining and Metallurgical Congress to be held there in March 1930, I would request the favour of your kindly taking needful action immediately for obtaining the necessary Pass-Ports for my journey to and from South Africa and Rhodesia and also the requisite permit for my entry into and tour in that country. The details of the journey and the several places to be visited are fully explained in letter No. 508 dated 9th September 1929 from the Chief Inspector of Mines to Government recommending my deputation.

I understand that the permit should be obtained atonce as without it no Pass-Port could be issued. As there is not sufficient time to go through the formalities in this respect officially I am obliged to approach you with this request demi-officially so that expeditious action may be taken for obtaining the permits atonce, by cable, if necessary, from the South Africa or other proper authorities so as to facilitate the issue of Pass-Port in time for booking my passage.

I may mention here that my application for a Pass-Port in the prescribed form together with the Photo and a fee of Rs.3/- was forwarded by Mr. R. Docquet, Justice of the Peace in Gorgaum to the Hon'ble the British Resident with his letter No. 25 dated 26th October 1929. As I will be here to-day and tomorrow, I shall furnish personally any further information that may be required for communication to the Residency in this respect. If it is necessary to send a formal application for the Pass-Port and permit through the Chief Inspector

of Mines, I shall do so on hearing from you. Meanwhile to save time, I would request that action may kindly be taken atonce to obtain the Permit and the Pass port.

Yours sincerely,

C E Lingamaraganabhan
